

Summer Sessions Admission Application & Registration Information

AS a regional campus, Ohio University Zanesville offers a wide assortment of courses at the undergraduate level. Summer is a great opportunity to pick up extra courses that apply to your major at another institution or to take that class that has always interested you. Just complete the attached application and return to the Office of Student Services, 1425 Newark Rd, Zanesville, OH, 43701.

- * Summer courses are offered for one or two five-week sessions, for the full ten-week term or for shorter, intensive lengths such as one or two weeks.
- * There is no application fee for students enrolling for summer only.
- * Registration for Summer Sessions 2009 begins April 7. Once we have processed your application, you may register on the web at www.ohio.edu/registrar. View course offerings at www.zanesville.ohiou.edu.
- * Students must meet all course prerequisites. In some instances, you may be required to submit an official transcript to verify you have met all necessary requirements. Course credit from Ohio University can generally be transferred to other institutions. The accepting institution, however, establishes the policy in this matter. Be sure to check with your home institution to be sure the courses you select will transfer.
- * Students registering for Summer Quarter between April 7 and May 18 must pay all fees on or before June 8, 2009, to avoid a \$100 late fee. Billing notification will be e-mailed to students oak account starting Monday, May 18. Students registering after May 18 will be sent an e-bill on June 17 with payment due upon receipt. By registering for classes a student incurs a legal obligation to pay tuition and fees. This debt may be cancelled only if the student officially cancels his/her registration BEFORE Monday, June 22, for first and full session classes and BEFORE Monday, July 27, for second session classes (the first day of classes for each session).

Please feel free to call the Office of Student Services at 740.588.1439 if you have any questions.

See you this summer!
