

Zane State Equivalency Guide: Bachelor of Specialized Studies

The BSS degree is a unique opportunity for students to design personalized degree programs to meet life and career goals. Students with this degree have been very successful in continuing their educations in graduate and professional programs as well as moving directly into the job market or achieving promotions with their current employers. This degree has particular appeal to students living in the local area, students with transfer credit, and/or students who desire a unique, interdisciplinary degree.

Admission Requirements

- Current enrollment with at least 45 completed hours of course work
- Minimal 2.0 grade point average
- Transfer work equated before applying for program
- Consultation with BSS coordinator for assistance in planning the program

Graduation Requirements

- Approval of application by the BSS Review Committee
- General Education Requirements
- Completion of a minimum of 192 hours
- Completion of 45-75 hour area of concentration
- Completion of a minimum of 80 hours of work at the 300 level or above
- Completion of 45 hours of work after admission to the program
- 2.0 grade point average

Zane State students are advised to take classes which will transfer in as the General Education requirements as well as classes which will transfer in as upper level (courses numbered 300 or higher). A list of possible classes follows.
